FORT WILLIAM,
Master Attendant's Office,
14th November 1853.

2. The Proceedings having been submitted to Government, the Most Noble the Governor of Bengal has been pleased to confirm the Sentence of the Court, accompanied by the following remarks on the case:—

Para. 2.—The charges on which Mr. Stout was arraigned are noted in the margin. He has been found guilty of the 2nd instance of the original charge and of the additional charge, and acquitted of all the rest. The Court have in consequence sentenced Mr. Stout to loss of two months' pay.

3. His Lordship observes that the acquittal on the first instance of the 1st charge is approved and that it is borne out by the evidence.

The acquittal on the 3rd instance is also concurred in by you, on the ground that Mr. Stout *did order* Mr. Layton, the Officer in turn, several other Officers, to take charge of the *George Seymour* on the 6th June, but they refused to obey. It is clear, however, to His Lordship that the so-called order was not couched in authoritative terms which the occasion required, that no one of those to whom it was addressed considered himself bound to obey it, or [illegible] and that no one of [illegible] with punishment, [illegible] ence to superior [illegible]

[illegible] nce, admits that his [illegible] that he did not take [illegible] y putting the recusants [illegible] he "believed that to execute her he had given would be a service [illegible] most imminent risk of life," and further, he "believed that the general [illegible] would justified a Pilot in refusing to undertake such risk."

His Lordship directs me to observe, with reference to this defence, that, if the order was not a right one to give, it should not have been given, but if *it was* a right one to give, it should have been enforced. His Lordship is further of opinion that the order was a proper one, and the only proper one to give on the occasion; but that the order not having been effectively given, the acquittal on this part of the charge is not warranted by the evidence.

7. The acquittal on the 4th instance is in your opinion against the evidence inasmuch as the risk in running from the Sandheads to Saugor, with a fair wind, was under the circumstances no more than an ordinary Pilot's risk. To this it may be added that if Mr. Stout did not consider it necessary to stay by the *Sir George Seymour* on the night of the 6th, when the life of every one on board was considered in danger, and a Pilot was on this account refused her, still less should he have considered it necessary to leave his own proper duties and attend the Ship into the River on the 8th, when the danger was over, and a Pilot had in consequence been sent on board. From the facts in evidence bearing on this part of the case, it would seem that the safety and satisfaction of the Pilot were on both occasions allowed to stand in the way of more important objects.

8. Of the charges of neglect of which Mr. Stout has been found guilty, it is sufficient to say that they are fully proved. The facts are indeed admitted by Mr. Stout, but a justification is attempted on the ground that the danger to which the *Sir George Seymour* was exposed was one in which neither the local knowledge of a Pilot nor the vicinity of the Pilot Brig could have been of any service. The Court by their verdict have decided that this view of the matter was not a correct or humane one to take, and in this opinion His Lordship fully concurs.

9. On the whole, His Lordship is pleased to confirm the Finding and Sentence of the Court, and desires that the latter may be carried into effect.

3.—In conformity with the above decision, the Master Attendant has been requested to cause the Sentence of the Court to be carried into effect, and to release Mr. Branch Pilot W. R. T. Stout from arrest, and to allow him to return to his duty.

By order of the Superintendent of Marine,

H. HOWE,
Secretary.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1852-53, the same precautions have been taken as those which have been adopted during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each chest. An account of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue, and further that four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shown to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the drug has been kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale, that may be desired by parties connected with the trade, will as heretofore be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to Chests after the Sale and delivery of the Opium for shipment.

The requisitions for the as aforesaid, are to be addressed to the Go General at Calcutta, within thirty days after tice of the intended Sales shall have been publi ed in the *Government Gazette*."
